PROFESSIONAL EXPERIENCE

TeleEye Phils. Inc. Nov 2025 – Present

CCTV Technician | Quezon City, Philippines

- Install, configure and commission surveillance systems with IP, analog and PTZ cameras, DVRs, NVRs, video intercoms and video management software.
- Position cameras for the required coverage. Test image quality, recording and remote viewing before commissioning.
- Configure IP addresses, switches, routers, PoE devices, VLANs and wireless connections to support network connectivity and remote access to integrated security systems.
- Install cable trays, conduits, raceways, patch panels, equipment racks, cabinets and cable management systems.
- Inspect and maintain surveillance equipment, troubleshoot connectivity issues and follow company safety procedures and standards during installation and preventive maintenance.

IntouchCX Feb 2025 – May 2025

IT Desktop Engineer Intern | Cubao, Quezon City, Philippines

- Provided Level 1 support for desktops, laptops, and micro-PCs, and resolved hardware, software, and connectivity issues.
- Imaged Windows workstations, joined devices to the domain, and assisted with Active Directory account and permission administration.
- Prepared Chromeboxes and Chromebooks for deployment, tagged IT assets with QR codes, and supported inventory tracking.
